REPORT OF OFFENDER NON-COMPLIANCE

NON-COMPLIANCE SUMMARY

The purpose of this report is to advise the Court of an alleged violation of the terms of supervision. The Probation Officer has developed a plan to dispose of the alleged non-compliance with action less than revocation, and the Court is requested to approve the plan to address the non-compliance.

1. ILLICIT DRUG USE (DATES) - (11/06/2007 & 12/04/2007)

Details of alleged non-compliance: On September 28, 2007, the offender released from custody to his parent's home in Stockton, California. On November 6 and December 4, 2007, Mr. Holloway submitted urine samples that returned positive for marijuana, and the offender admitted his drug use. All subsequent urine samples have returned negative. At the time of the positive tests, the probation officer was cognizant Mr. Holloway's relationship with his parents was tumultuous. The probation officer informed the offender a recommendation would not immediately be made to the Court, so his behavior could be monitored by the probation officer. Mr. Holloway has since moved out of his parent's home, secured employment, and as noted, has not submitted a positive urine sample since December 2007.

United States Probation Officer Plan/Justification: The offender is now compliant in all areas of his supervision. It is respectfully recommended the Court take judicial notice of Mr. Holloway's violation behavior, and no further action be taken at this time.

Respectfully submitted,

/s/ Casey Horner, Sr.
